High Intensity User Service

Providing brief community-based support to people who frequently attend hospital emergency departments or use emergency services

The service is for people living in Oxfordshire aged 18+ and with no upper age limit.

Elmore will provide support for up to 12 weeks (with further support possible over the next 12 weeks) to:

- Improve your mental wellbeing and build up your confidence and self-esteem
- Resolve housing, money, benefits, or debt issues
